Partner Response:
<ul style="list-style-type: none"> • The number of councillors in Moray is set by the Scottish Government, as is the level of pay. Most councillors receive £16,893 per year and can claim for mileage and some other expenses and the amounts paid out are published each year http://www.moray.gov.uk/downloads/file105331.pdf. Committee Chairs receive £21,118 and the Council Leader receives £28,157.
